I am writing to inform you of the upcoming changes with bus routes for the following buses: **# 134, # 2, and # 184**. These changes are due to the declined number of bus riders for Junaluska Elementary School. We will begin running four regular bus loads, instead of five regular bus loads.

These changes in routes would begin on Thursday, December 1, 2016.

The original route for bus #184 will be divided between bus #2 and bus #184. Former riders of bus #184 will ride either bus # 2 or remain on bus # 184.

The actual bus # 134 will no longer be on the bus fleet, but students presently riding bus # 134 will be combined with students currently riding bus # 184.

The drivers for the new routes are as follows:

Bus # 2

Lynn Medford-A.M. route

James Monday-P.M. route

Bus # 184

Brittney White-A.M. and P.M. route

Keith Hooper will drive bus # 129

If you have questions, please feel free to contact me.
