JES Art News

Look at what we're experiencing in art...

Our fifth grade had the unique opportunity to take a field trip to see the international artist/puppeteer, Hobe Ford. That same week, Mr. Ford ran a workshop at Junaluska to teach some of our students how to make shadow puppets. At the end of the workshop our students were allowed to use their puppets they created to perform a folktale or story for the class in a shadow theatre. The student puppets are on display in the lobby the 1st two weeks in November. Please come by and enjoy these wonderfully created shadow puppets.

Art Advocacy

The arts teach children to make GOOD JUDGMENTS about qualitative relationships. Unlike much of the curriculum in which correct answers and rules prevail, in the arts, it is judgment rather than rules that prevail. Keep supporting the arts!

MEDIA NEWS

K-3 students have been working on the difference between fiction and nonfiction text. Grades 4-5 have been using Google Sheets with their chromebooks working on spreadsheets. If you would like to volunteer in the media center, let Mr. Hyde know. ihyde@haywood.k12.nc.us

White Christmas Canned Food Drive

It is time again to start the White Christmas Canned Food Drive. The cans that are collected will go to help local families in need. There will be a reward given to the Kindergarten through 2nd grade class and the 3rd through 5th grade class that collects the most cans. The White Christmas Canned Food drive will start **Friday, December 7th** and end Tuesday, **December 18th**.

Muffins and Moms

On Tuesday, November 27th we would like to welcome all moms and their students to our Muffins with moms breakfast. We will eat from 7:15-7:35 in the cafeteria and then we will meet in the library for a short lesson from Mrs. Marcus. More information coming home soon!

Parents please remember if your child throws up at school, it's best if they stay out for 24 hours. Thank you so much!
